

Once in a **BLUE MOON** a child is lucky enough to have a teacher like you.

I'm sure that first day of school was hard,

All of the **mike's**, **HENRY'S**, and **RITA**'s in the school **YARD**,
Thankfully I wasn't a **MOOSEHEAD** that day as you appeared with a smile on your face.

I can be a bit of a **Hop Devil**,

A **Natural** born leader,

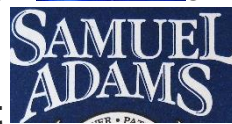

My mom says I am a **REBEL**,

But I **TRULY** am a better person now since meeting you!

So thank you for teaching me what is under your **MAGIC HAT** school "mum",

And for introducing me to my new **BUD**s.

You may not have taught me about **SAMUEL ADAMS**,

but I **BEST** believe I'll get there, you'll see!

I won't beat around the **BUSCH** anymore,

You deserve a **Blue Ribbon** and a drink in your hand.

You are a **Classic**, one of a kind, that's for sure,

Because since I had a teacher like you, next year will be a **BREEZE!**
